

Winterborne Valley & Milton Abbas Benefice

Covid arrangements from 1st August

'But in humility consider others as more important than yourselves'.
Philippians 2:3

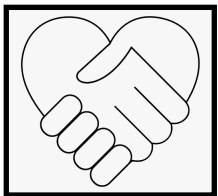

Face coverings advised to be worn when moving around in church. You may also feel more comfortable wearing one when coming up to receive communion/a blessing. Some people may wish to remove face coverings when seated.

Provision will be made for those wanting to remain socially distanced.

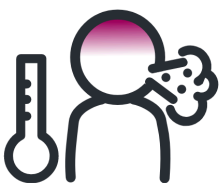

During August singing will remain in its current format, making use of small groups of singers with congregational singing taking place outdoors. The hope is that congregational singing whilst wearing masks will return in September.

Sharing the peace in services will continue with our current practice of remaining in our pews/seats.

Refreshments can now be served again. Please make use of outside space when possible.

Stay at home if you have Covid symptoms, have tested positive, or have been asked to isolate.

The Priest/Service Leader will continue to wear mask when presiding over and distributing communion. Communion will remain being received in the form of the bread which is dipped into the wine.
